Dear Community Partner,

Morning Star School is a special education school serving children in Kindergarten through 12th grade with learning challenges - attention deficit disorders, autism spectrum disorders, and mild intellectual disabilities. We are a beacon of hope for parents with children who do not learn in general education classes but require a more individualized classroom environment to succeed. Our students are from diverse backgrounds and come to us from Duval, Clay, St. Johns, Nassau, and Flagler Counties.

On Saturday, April 8th, 2017 we will host our 6th Annual Gala & Auction, "**An Evening on the St. Johns**" at the beautiful Haskell Building in Riverside. The gala is the school's largest fundraiser. We need generous donors like you help us raise money to provide enhancements to our classrooms, help us purchase up-to-date educational tools and continue enrichment programs.

Would you consider a sponsorship or a donation to help us achieve success?

Please review the sponsorship levels below. All sponsorships include tickets to the event and a recognition package. All donated items are featured in our silent auction brochure along with a prominent mention of the donor. All sponsorships/donations are tax deductible.
