"BUILDING A BRIGHTER FUTURE" CAPITAL CAMPAIGN

LEAVE A LASTING LEGACY AND FURTHER OUR MISSION BY PLEDGING YOUR SUPPORT

Morning Star School has served children in K — 8th grade for the past 60 years. We are fully accredited by the Florida Catholic Conference and the only special education school in the Diocese of St. Augustine. Our "Building A Brighter Future" campaign has allowed us to grow our campus and expand our curriculum to include 9th — 12th grades, providing our students the ability to enjoy the benefits of a Catholic High School education. Thank you to the many donors that have made this dream come true! Moving forward, there are still many ways to support the school. Please consider the naming opportunities listed below.

Monthly and/or multi-year pledges are welcome and appreciated.

Our new building is named after Archbishop Joseph P. Hurley for his dedication to our school. The building accommodates four middle school classrooms, four high school classrooms and a technology and learning center. Future growth will include an indoor/outdoor fitness center, a new playground, a chapel/prayer area and a life skills classroom.
