

Families and Guardians,

Two important announcements were left out of our News & Notes this week.

- **This Thursday, 23 May 2024, HS students will wear their tie-dyed shirts with uniform bottoms instead of their regular uniform.**
 - (**Please note: K-8 have different uniform rules on this day. HS students must be in uniform bottoms. It is **not** a fully dress-down day.
- **School Supply Lists and information on how to order through Bright School Kits were sent home with your student.** As a team, please know that we understand the need to keep the supply list to the essentials. We only ask for what students truly need. As students bring their supplies home over the next two weeks, please hold onto composition books that are not entirely used, binders, and folders. Our colors are always the same, and we are completely fine with students reusing their materials and being good stewards of their resources.
 - **Rising freshmen students** must purchase new consumable materials (e.g., composition books, folders, etc.) since MSHS uses a color-coded system for all classes to assist executive functioning and overall organization. If taken care of, many of these materials will last for the duration of high school.

Our best,

THE MSHS TEAM
