DEPARTMENT NEWSLETTER

Dear Families,

Bishop Pohlmeier will celebrate Mass with our Morning Star community next **Monday, 24 February 2025, at 10 a.m. at Christ the King**. All are welcome to attend.

Please contact your student's **HOMEROOM TEACHER** with questions about class events, excuse notes, dismissal permission, field trips, etc. As needed, HR teachers share anything that applies to the entire department. This helps us all be on the same page. Thank you!

HOMEWORK: High school students have *nightly* homework. While we strongly believe in fostering independence, many students' grades suffer from a lack of effort on homework assignments. Please help your student by checking in with them daily (if needed) to assist in their success.

TUTORING: Students are encouraged to use their time productively to complete assignments during after-school care. However, adults are there to supervise all students, **not** to work one-on-one. Mrs. Carter offers weekly math tutoring on Mondays until 3:30 p.m. If your child could benefit from additional practice and guidance beyond school hours, please contact the HS Team for tutors-for-hire recommendations outside of MSS/MSHS.

REHEARSAL: Please look at the latest [Into the Woods Rehearsal Schedule](#) to see what day(s) your actor **needs** to attend. ***NOT every student is called to be at every rehearsal.*** [EMAIL Ms. Whiteside](#) about our musical with any questions, concerns, etc.

DRESS CODE: Students are expected to follow the dress code daily. The full dress code can be found [HERE](#).

GRADUATION REQUIREMENT: **Christian Service Hours are due on 4 March 2025.** Every high school student is required to complete a minimum of 25 hours each school year to graduate. **Seniors and Juniors** who do **not** turn in their hours **cannot** participate in Prom, Grad Bash, and other end-of-year activities.
